

Quantedge Scholarship

Established in 2014, the Quantedge Scholarship provides financial support to an undergraduate student or students who would otherwise be unable to meet the cost of a Penn education. In awarding the scholarship, first consideration should be given to students from any ASEAN country (Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Philippines, Singapore, Thailand and Vietnam), and second consideration given to students from Greater China (including China, Hong Kong, Macau and Taiwan).
